

REPRESENTATIVE DRIEHAUS WELCOMES FUNDING TO PROVIDE JOB TRAINING FOR HOMELESS VETERANS

WASHINGTON, DC—Representative Steve Driehaus today welcomed an announcement by the U.S. Department of Labor (DOL) of \$600,000 for Ohio Valley Goodwill Industries Rehabilitation Center to assist homeless veterans with job training and other services.

“We have a responsibility to serve our veterans as well as they have served us, and this investment will make it easier for veterans who are struggling the most. Goodwill is working to provide veterans with the skills and training needed to find good jobs, and this funding will help that critical work to continue,” said Rep. Driehaus.

The DOL grants are distributed through a competitive process. The grantees coordinate their efforts with several federal, state, and local social service programs. This is the only federal program that exclusively works to assist homeless veterans.
